  - 2¾" x 1⅞" in Cinnamon Cider
  - 5¼" x 2¼" in Basic White
  - 2⅝" x 1¾" in Basic White

### Instructions for the Card:

- Score card base at 3¼" on the 6½" side. Fold and burnish.
- Stamp sun and rays from the Sharing Sunshine set in Bumblebee ink near the top of the 5¼" x 2¼" layer of Basic White. Stamp twice to deepen color if desired.
- If desired, stamp the sun and rays in Bumblebee ink in the upper left corner of the front of the envelope (where the return address would be written).
- Stamp the face from the Sharing Sunshine set on the sun in Cinnamon Cider ink.
- Use a Blending Brush to add Bumblebee ink on the 5¼" x 2¼" layer of Basic White. Tap off with the brush as necessary to soften the ink color. Remember that you can always add more ink, but it's hard to take it away!
- Stamp the sentiment from the Sunny Sentiments set in Cinnamon Cider ink on the 2⅝" x 1¾" layer of Basic White.
- Adhere the sentiment layer to the 2¾" x 1⅞" of Cinnamon Cider cardstock, using Stampin' Seal.
- Adhere the sun layer to the 2⅜" x 5⅜" layer of Cinnamon Cider, using Stampin' Seal.
- Adhere the sun layer to the front center of the card base, using Stampin' Seal.
- Adhere the sentiment layer to the lower front, overlapping the sun layer, using Stampin' Dimensionals.
- Add Champagne Rhinestones to the front of the card.
