Instructions for the Card:

1. Score the Pacific Point card base at 4¼" and fold and burnish.

2. Position the Basic White front layer in the corner of the Stamparatus.

3. Center the rose flower spray horizontally near the top of the front layer.

4. Stamp flowers in Tuxedo Black.

5. Rotate the Basic White front layer 180°, so that the flower image is at the bottom and the blank card stock at the top. This step ensures that the flowers line up perfectly on the card.

6. Stamp the flowers in Tuxedo Black. Now you have flowers at the top and bottom, with a gap in the middle for the sentiment.

7. Stamp the sentiment in Tuxedo Black in the center of the Basic White sentiment layer.

8. Use the Stampin' Blends to color the flowers on the front layer:

   - Flowers: So Saffron and Daffodil Delight

   - Large Leaves: Granny Apple Green

   - Round Leaves: Mossy Meadow

9. Use the Pacific Point Stampin' Write Marker to color the small round flowers.

10. Use Wink of Stella to highlight the flowers.

11. Adhere Daffodil Delight front layer to the card base with Stampin' Seal+.

12. Adhere the Basic White front layer to the Daffodil Delight front layer with Stampin' Seal+.

13. Adhere Daffodil Delight sentiment layer to the Pacific Point sentiment layer with Stampin' Seal+.

14. Adhere the Basic White sentiment layer to the Daffodil Delight sentiment layer with Stampin' Seal+.

15. Adhere the sentiment in the gap between the flowers on the card front using Stampin' Dimensionals.
